

HEVREH'S 2019 SUMMER CAMP SCHOLARSHIPS

If your child is going to be attending a Jewish camp this summer, Hevreh's Madrich Youth Scholarship Fund has modest grants available.

Here is a summary of the program:

- Awards are available to children of members of Hevreh of Southern Berkshire who are current with all financial obligations to the temple (dues, religious school tuition, etc.) at the time of the award. Awards are available to children who are currently enrolled in and attend Hevreh Religious School for the 2018-2019 school year.
- Applications must be submitted by **February 8th, 2019** for an award for the summer of 2019. Notification of awards will be made in mid-March.
- Funding for the Hevreh Summer Camp Scholarship awards comes from donations to our Madrich Fund. We welcome donations throughout the year to celebrate a simcha or honor a loved one.
- Awards are also available from other sources:
 - The **Harold Grinspoon Foundation** offers generous scholarships for Jewish summer camps and Israel trips. Information and applications can be found online at hgf.org.
 - The **Jewish Federation of the Berkshires** also has scholarship money available. Please go to jewishberkshires.org. Click on Community & Events, then News & Announcements. The JFB deadline is January 16, 2019.
- Please contact the Hevreh Office if you have any questions about the scholarship, application, or about Jewish summer camping programs and trips in general.
